

Mark your calendar for this fun event!

**Scrapbookin' Saturday
Woodlands Elementary
Saturday, March 13
10:00 AM to 4 PM**

Do you have a box of pictures that are itching to be put into a scrapbook? Have you been wanting to see the latest catalogs from Stampin Up, Close to My Heart or Creative Memories? Do you want to learn the latest techniques in card-making and scrapbooking? Then this event is for you.

It's only \$20 per person and includes: A grab bag for all attendees; lunch, snacks & beverages; door prizes and lots of space to spread out and work on your projects.

Local consultants from nationally known Scrapbooking companies will be on hand to show off their latest products and will have samples and scrapbook page layouts for you to see. Throughout the day, we will offer the latest in technique demonstrations.

This event is open to everyone (adults & children aged 10 & up), so invite your favorite scrapping buddy to join you. Daycare is not available, so please make alternate arrangements for younger children.

Please return the registration form below with your check by **Friday, March 12**. Registrations WILL NOT be taken at the door. **Space is limited so register now!**

Questions? Contact event chairperson Lacy Miller by calling 698-5153 or by email at lacymillercmc@yahoo.com.
